Specialties (e.g., working with autism, the elderly, employment for people with disabilities or youth in transition, mental health, experience with assisted technology)

I have a great deal of experience working with individuals with disabilities in the work setting as well as their home settings. I assisted individuals with finding meaningful work experiences in the community as well as learning new job skills to make them stand out above other peers. I also have experience working with individuals to get into the least restrictive living environment and ensuring their health and safety while living in the community. I have attended numerous job development, mental health, Alzheimer, and assisted technology trainings and seminars. I obtained my Social Work Certification for the state of WI in 2012 and completed a 400 hour Internship with the Family Crisis Center while completing my BS in Sociology/Social Work from UW-Stevens Point.
