Specialties (e.g., working with autism, the elderly, employment for people with disabilities or youth in transition, mental health, experience with assisted technology)

My specialty for the last four plus years has been the elderly in a nursing home. Some of the residents in the facility I previously worked consisted of adults that needed 24/7, restorative, or rehabilitative cares. The education I received touched on many other important topics such as autism and mental health.

County/Region I'm familiar with

I feel like the region I am most familiar with is the Central Wisconsin region but look forward to getting more familiar with other regions as well.

Languages or Communication Skills

The language I am fluent in is English. I am a good listener and have a warm and friendly personality. Also, empathetic, open-minded, flexible, and respectful to all individual's needs; they vary depending on situations.

I'm comfortable with pets in the home

Yes

More about me

I am a proud mom of three children and two cats. My oldest is in college, the middle one graduated high school

in May 2017, and my baby will start junior high school in the fall of 2017. We live in the Wittenberg area at present but soon hope to relocate to Stevens Point. I look forward to meeting and assisting you all as much as I can with available services and supports from various resources.
