

MILC – ICA

MILC is a new Wisconsin Certified IRIS Consultant Agency!!

MILC-ICA became a certified IRIS Consultant Agency June 15, 2016

Since 2000 MILC has served numerous individuals through multiple programs working beside persons with disabilities towards empowerment to make informed choices. We are excited to add IRIS as the newest person-centered program.

MILC-ICA has IRIS consultants who understand independent living philosophies and the importance of self-direction. Our IRIS consultants are available to help support and organize resources available to you as an IRIS participant.

Meet Kristen Hansen: As an IRIS consultant for MILC-ICA, I look forward to working with a variety of participants towards making informed choices with the long term care goals through self-direction. In my free time I enjoy playing volleyball, reading, and spending time with my family.

Meet Jill Walter: As the MILC-ICA Coordinator & IRIS Consultant I will be supporting IRIS participant's towards empowerment to make informed choices with their long term care goals. Weekends are for family, long walks with my dog, and cooking. To de-stress I enjoy long lingering mornings.

MILC-ICA will specialize in helping you be as independent as possible while working beside you to achieve your long term care goals. We will come along beside you to provide resources for services and supports available for you.

MILC-ICA will serve IRIS participants in Marathon, Wood, Portage, Lincoln, and Langlade. With expansion plans for Waupaca, Fond du Lac, Manitowoc, Outagamie, and Calumet in the near future!

If you would like to select MILC-ICA as your IRIS consultant agency – you will need to visit your local ADRC and let them know.
