

Choosing MILC-ICA

It starts with a referral!

Please contact your local ADRC to be referred to MILC-ICA.

From there our IRIS consultants will:

- Enroll you as a participant for MILC-ICA
- Assist you in service planning to reach your goals
- Be an on-going support as you self-direct your long term health care needs.

Who is MILC-ICA?

MILC-ICA is a certified IRIS Consultant Agency since June 2016.

We have IRIS consultants who understand independent living philosophies and the importance of self-direction.

Our IRIS consultants are available to help support and organize resources available to you as an IRIS participant.

MILC-ICA also has staff certified as Long Term Care Adult Functional Screeners so any change in condition and annually they will provide continued eligibility screening for your long term care determination.

MILC-ICA serves participants in the following counties:

- Marathon
- Wood
- Portage
- Lincoln
- Langlade

MILC as an Independent Living Center also offers extra supports that are free for anyone with a disability. Some of this will include:

- **Free** access to over 520 pieces of equipment
- **Free** access to supports to further assist with other longer term care needs such as; learning how to ride the bus, learning a specific skill, learning about resources and activities, and access to finding alternatives.
- **Free** access to recreational events such as adaptive kayaking, hayrides and appreciation lunches, plus a quarterly newsletter.

These other services have always been available to individuals with any disability across the State of Wisconsin from an Independent Living Center. Even if you do not choose MILC as your ICA agency, be assured you may still want to check us out.

Since 2000 MILC has served numerous individuals through multiple programs working for persons with disabilities towards empowerment to make informed choices. We are excited to add IRIS as our newest person-centered program!

MILC has served in some capacity the 3 target groups for many years:

Developmental Disabilities- 16 years of service and experience

Frail Elders-16 years of service and experience

Physical Disabilities- 16 years of service and experience

We are here to assure that you have a well balanced life
