Why Choose MILC Services?

MILC supports consumer directed services and encourages the consumer to select a worker such as a family member or friend to provide services. However, MILC can recruit workers. MILC will train and employ the individual; allowing the worker to be paid for their time. MILC recruits qualified individuals through various job posting resources. MILC's Medicaid Personal Care Services have R.N. oversight to ensure safety of consumer plans.

MILC-PAS serves the following counties

Adams, Wood, Portage, Marathon, Lincoln, Langlade, Vilas, Florence, Forest, Oneida, Taylor, and some neighboring counties.

How Are Services Paid?

Medical Assistance/Medicaid may cover Personal Care Services.

Consumers may also private pay.

MILC contracts with:

- ◆ Community Care Connections of WI (CCCW)
- ◆ Care Wisconsin
- ◆ Veterans Administration
- ◆ Managed Health Services
- ◆ Family Support programs
