CAP Services	September 1, 2017	AmeriCorps Member

Care Responsibilities

As an AmeriCorps member within CAP Services, I worked closely with youths at risks within the community and the covered counties. I have coordinated and mediated for meetings between guardian and youths. I provided life skills programs with youths at the juvenile detention center and was able to process and provide resources with them. Along with that, as a member I participated in reaching out into the community about the CAP youth services that are available in the community.
