## Specialties (e.g., working with autism, the elderly, employment for people with disabilities or youth in transition, mental health, experience with assisted technology)

I am experienced in a diverse range of health care, medical, and Human service skills. My formal/specialized training, skills, and experience are based in the Health care, Human Services, and Medical fields, focused in elderly care in private and assisted living facilities, along with Human service roles such as Intake specialist and volunteer coordinating.

The majority of my Medical experience was in hospital settings as a Surgical Technologist. My medical training has afforded me a much greater understanding in the why's and how's of persons with disabilities and or diseases, bodies function due to said conditions.

**More about me**

I love gardening & nature, spending time with my children & grandchildren, walking/hiking, dogs and other animals. I am a proactive advocate for holistic and alternative health or healing arts practices such as Chiropractic's, Reiki, Massage, and Art therapy. I am an alternative health practitioner. I have been in the helping fields my entire life. I started as a CNA as a teen and progressed beyond that type of role over time, pursuing a medical career and then following my Life's passion in the Human Service related field.
